Once again **Mr. Bill Boomer** from the Diocesan Marriage and Family Office will be coming to our parish. This time he will be speaking on something that few couples, families and even individuals talk about and that is the languages of apology. We are all experts at hurting each other at times but, when it comes to setting things right, we all could use some help. Bill will present ways to sustain healthy and wholesome relationships as well as ways to restore broken ones. Come and discover your own language of apology. Learn the techniques to effectively recognize and deliver apologies and watch your relationships thrive as a result. His presentation will be on **Sunday morning, January 28**, right after the 10:00 am Mass. All adults, couples, parents and teens will benefit from his talk and are invited to attend.

A scarf was found in church last weekend. Come to the parish office or see Fr. Cole.

E Ilia Grace Holmes

Some say I was too young to go, but my soul was wise beyond my youth.
Some say I had barely lived, but I lived every moment with pure glee.
Some need materialism for happiness, I found joy in all the immaterial.
I leave behind a legacy of love, memories of joy in life's simplicity, innocent humor and
an overwhelming wave of pure light that radiated from my soul.
Don't pray for me, but rather to me as I bask in God's love and watch you from above.

Composed by "Mama"

Tom and I write this with humility and gratitude on behalf of our family as well as the entire Downs and Holmes families. To our community, friends, neighbors, parishes, co-workers, Luke's community at Kendal Early Learning Center, and even the anonymous "gift givers", we are forever indebted to your kindness and compassion in our darkest hours. No one ever anticipates anything of this magnitude in life, in fact we spend our days as parents and caregivers to prevent such occurrences. The loss of E Ilia has brought us to our knees in complete surrender with gaping wounds exposed for all to see. The love and support of those around us and our faith in a loving and beautiful God sustain us in this horrific storm. We surrender to God's mercy and omnipotence that in life's greatest tragedy, He will create more beauty than even our little E Ilia could spread here in this lifetime. This is our hope, our faith and our strength in this grief.
We will never overcome this loss, but will learn to go forward reflecting on E Ilia's sweet love. Through God's grace and E Ilia Grace, we will learn to find joy again amidst this suffering. Thank you for being a beacon of God's light and love in this storm for us.

With humility and gratitude,
Catherine, Tom and Luke Holmes

Shirley Williams died on Friday, January 12, and was buried from our parish on Thursday, January 18. Please remember her and her family in your prayers.

Next weekend we will take up the collection for the church in Latin America. For many in Latin America and the Caribbean, rural terrain and a lack of ministers are obstacles to practicing their faith. Your support of the collection provides lay leadership training, catechesis, priestly and religious formation, as well as other programs to help share our faith with those who long to hear the Gospel of Jesus Christ. This collection also directly benefits our Cleveland missionaries who serve in our diocesan mission in El Salvador. Please use the envelope in your packet and be as generous as you can.

THANK YOU for continuing to collaborate with us on the St. Pauly Textile clothing drop off shed project! In 2017 roughly 10,623 garments of clothing were donated to your shed. This was enough to clothe an estimated 1,288 people. This clothing is being used right now by people in one or more of 44 different countries (including the US) to which our clothing is likely to have been distributed this past year.

Your congregation raised \$645.76 in 2017 through hosting this shed.

We ask that you continue to spread the word about the clothing shed to other community members. Thank you for all your support and please feel free to reach out to us at any time!

Sincerely,

The Team at St. Pauly Textile, Inc.

On Friday, we had a soup supper to mark the start of our parish Lenten Rice Bowl Campaign. During Lent, many parishes all over the country hold Rice Bowl Campaigns to support the work of the Catholic Relief Services all over the world. CRS is on the ground where there is famine, drought, and disaster and provides humanitarian aid in places where conflict result in violence, persecution and migration. They also provide food and education in refugee camps and settlements. 75% of the funds raised will be used to support the work of CRS all over the world; 25% will remain to be used in its work in our diocese. The Rice Bowls are **now available at the back of the church and at the side vestibule**. Please take one home and put spare change in it throughout Lent and bring it back on Easter weekend.

I must acknowledge all who worked so hard at our Lenten Fish Fries. Jack and Sue Kubicki and their many volunteers, both young and old, made these two meals a great success. We have developed a reputation in our community of offering a wonderful dinner at an affordable price and we could not do it if it was not for the many hands who work so well together. We look forward to doing it again next year.

+ + + + + + +

We must extend our collective thanks to all those who contributed in any way to helped make our celebration of Easter so striking and so special -- to Carl Lee, our instrumentalists and the members of our choir whose music added so much to our liturgical prayer, to Kathy Spencer, Elaine Ladina and other volunteers who decorated our church so beautifully throughout Lent but especially during Holy Week, to our Sacristans who worked quietly behind the scenes to prepare for and clean up after our various liturgies, and, as always, to our Ushers, Eucharistic Ministers, Lectors and Servers who regularly help out in such an important way during Mass.

+ + + + + + +

Because of my pending retirement, necessary adjustments will need to be made to our weekend and weekday Mass schedules. No decisions will be made without first getting your input. In order to do this, as was announced, we will have a town hall meeting **this Monday, April 2**, at 7 pm in church. Everyone is welcome

 Catholic Renewal Ministries' **Traveling Charismatic Mass** for April will be held here at Sacred Heart Parish on **Friday, April 20th**. Praise and Worship will begin at 7:00 pm and Mass will start at 7:30 pm. Fr. Bob Franco will be the celebrant. Healing teams will be available after mass for individual prayer and there will also be a social after the mass. For more information, please contact **Fr. Franco at 440-327-2201 or CRM at 440-944-9445**.

THANK YOU! We had many generous parishioners donate cookies for the children detained at the Lorain County Detention Home. It's a shame that so many young people, for varied reasons, are spending time there and they really do appreciate this show of support. Please remember them in your prayers.

COMMUNION

If you have problems with gluten or wheat – like gluten intolerance or wheat allergy – you should know that our parish has special hosts available that you can use. They are made from wheat starch (the Church requires that hosts must be made from wheat) by the Benedictine Sisters of Perpetual Adoration in Clyde, MO, and they contain less than 0.01% gluten (less than 1 part in 10,000). If you are interested, please contact **Sue Palmieri 774-1191 or Father Cole.**

ST. PAULY TEXTILE SHED

We continue to collect useable **clothing, shoes, sneakers, purses, belts, linens and blankets** for our St. Pauly Textile shed located at the southeast corner of our parking lot. **Please be sure to place all items in a tightly secured plastic bag.** St. Pauly distributes clothing to people all over the world who need it and all the clothing that they collect is worn by someone somewhere. St. Pauly is able to provide money to organizations like us that partner with them. Thank you to those who have already made drop offs to the shed.

Our parish prayer chain welcomes people to call with specific prayer requests which will be handled in a confidential manner. This is a beautiful way to support one another. Anyone who would like to join the prayer chain or who would like to request prayers is asked to contact **Kathy Sobieski 774-7106.**

IT PAYS TO RECYCLE

We encourage everyone to please bring their **old newspapers and magazines, office and school papers, catalogs and flattened cardboard** and put them in one of our two recycling bins. The church is paid per ton of paper that is collected each month. Tell your friends and neighbors. And, if you own a business, do drop off your recyclable waste paper and packaging here at church. It will be a big help to us.

REMEMBER YOUR PARISH IN YOUR WILL

A lasting gift to your Church

Once you have made provision for your loved ones, you have the opportunity to make a lasting gift to God. A bequest to your Church can be a living memorial to the nobility of your life. It is exempt from estate and inheritance taxes and reduces the amount of the estate to be taxed. Your gift is an expression of your gratitude and thanksgiving to God and will be a real blessing to our parish.

DIOCESAN

This bulletin is furnished to the Parish without charge. The advertisements that appear completely defray a publishing costs with which the church would otherwise be burdened. Please patronize these sponsors as a thank you for their kind generosity and let them know we appreciate their ads when you do business with them.

VACATION BIBLE SCHOOL

The Catholic Conference of Ohio, an organization that represents the Church's position before the Ohio General Assembly, various state departments, bureaus, agencies and other organizations, is offering voter guidance on **State Issue 1** – the only statewide issue on the ballot — as we prepare to vote in the May 8 primary election. **Issue 1** is a constitutional amendment creating a bipartisan, public process for drawing Ohio congressional districts. A somewhat similar amendment addressing redistricting for Ohio legislative districts passed in 2015. The Catholic bishops in Ohio, including Cleveland Bishop Nelson Perez, serve on the conference board and they support the issue. They note that legislative districts should be fairly established, facilitate active citizen participation, assure effective accountability and accessibility to both voters and elected officials, and ensure the common good of all in society. **Issue 1** provides a prudentially viable process for achieving these goals and they encourage our support.

The last **Equal Exchange** coffee, chocolate and tea sale before the summer break will be the weekend of **May 12/13**. To the Parishioners of Sacred Heart,

Recently **our son, Philip Sean Verda** passed away after a long illness. During that time, the Prayer Chain spent many hours praying for Sean and us. After, Sean passed away, the funeral mass was beautifully handled by Father Cole and Deacon Daw. Additionally, Eric Carpenter and Joe McCormick who were the altar servers could not have been more caring. The Altar and Rosary Society provided lunch after the service and were helpful, caring and thoughtful. I received a number of compliments from non-parishioners, who attended, as to the ladies making them feel so welcome. I want to thank ALL of you who provided for us in our time of need and feel the entire Parish can be proud of the way it lived the teaching we have all received from Jesus.

Our sincerest thanks,
Phil, Viv and Jennifer Verda

IT'S JUNE — TIME TO SIGN UP

Our 4th annual parish and friends bus trip will be from 9:00 am until 5:30 pm on Thursday, June 21st. Cost: \$35 per person + lunch. This year's stops: Our Lady of Lourdes National Shrine (Euclid), a tour of Severance Hall, lunch at the Hofbrauhaus, the Byzantine Cathedral of St. John the Baptist (Parma), then Krieg's for ice cream!

Reservation deadline: June 11th. Checks for the full amount should be made out to Sacred Heart Church and placed in the collection (in envelope marked BUS TRIP), dropped off at the rectory during regular office hours, or mailed to 410 W. Lorain. Be sure to include your phone number.

(FYI: The bus has a restroom.) Questions? Please call **Carrol Wilhelm at 440-371-8356**.

And now begins the requisite assembly. Up until this weekend, adjusting to a new Mass schedule has just been a future reality that hasn't really impacted us; now comes the adjustment. And it won't only impact us on weekends—but the weekday Mass schedule has also been adapted so that I'll be able to celebrate weekend as well as weekday Masses at both parishes that I've been called to pastor.

Crucial to proper assembly in insuring that we each give the appropriate response to each of these questions:

- Why do I have to adjust to a new Mass time?
- Why do I have to drive to Nativity of the Blessed Virgin Mary in South Amherst for Mass?
- Why do I need to drive to Wellington if I want a weekend Mass that better fits my schedule? I liked our previous Mass times.

And what is the appropriate response? Today's Solemnity of the Most Holy Body & Blood gives us that answer: every bit of *assembly* that you & I are undertaking, is undertaken **for the Lord**—that we might always have access to His Body & Blood!

You and I are adjusting to new Mass times so that we, and everyone at St. Patrick's, can encounter the Lord—in both Word and Sacrament. Without these adjustments, and a shared pastorate, one parish might've been required to close. You and I are adjusting so that both parishes can remain alive, dynamic, and vibrant!

You drive to Nativity of the BVM Parish for Mass on Tuesday so your pastor can grab a day away—and forestall burn out; if he burns out, access to the Lord in Word & Sacrament will suffer.

You may occasionally, or regularly, drive to Wellington because a particular Mass time may be a better fit for your schedule. But remember Who you're driving to encounter. We think nothing of driving to Cleveland to go to a ball game, or to the Q for a concert, or to Amherst or Elyria to go to the store. If we're willing to hop in the car & drive many miles for our own pursuits—shouldn't we be even more willing to do the same to encounter the Lord?

As we all embark upon the *assembly* process, be assured of my prayers for you—and please pray for me— **as we do it all for the Lord!**

*God Bless,
Fr. David Trask*

They have been separated from their children who were left with baby sitters and caretakers when they went to work. The children are now in the care of organizations and volunteers and are in need of diapers and formulas. Bishop Perez has issued a statement asking us to help the separated children and families. A FATHER'S DAY PRAYER

God our Father,
in your wisdom and love you made all things.
Bless these men,
that they may be strengthened as Christian fathers.
Let the example of their faith and love shine forth.
Grant that we, their sons and daughters,
may honor them always
with a spirit of profound respect.
Grant this through Christ our Lord. Amen.

Well, now it all begins in earnest! For the last month you and I have been adapting to the new Mass schedule; now comes the time to adjust to the shared pastorate—wherein you'll be sharing me with the people of St. Patrick Parish in Wellington.

One immediate change to which most will need to adapt is the means by which you can readily contact me. Up until now reaching the pastor was simply a matter of calling the parish dialing Fr. Cole's extension.

Because I'll be bouncing between two parishes, I'm opting to use my cell phone as my exclusive means of contact: 987.9873. Yes, this is a local Oberlin number, so the 440 area code isn't necessary. And most have told me that the repetition of digits makes easy to remember.

Why have I opted to forego an extension at Sacred Heart and an extension at St. Patrick? Simply put: I'd like to avoid having to retrieve voicemails from multiple phone systems. Besides: I always have my cell with me ... thus, you'll be able to reach me by calling a single number and, when I'm unavailable and you need to leave a message, I'll only need to retrieve it from a single location.

In the process of transition, Fr. Cole gave me many email contact lists—but the *Funeral Notification List* came only with email addresses, but no names associated with the various addresses; this was a list of those who'd like to be notified if/when a funeral is scheduled at the parish. As the list is incomplete, I'll be recreating the list of names and emails of those who'd like to receive an email notification when a parishioner dies and a funeral is celebrated at the parish:

- ♦ If you are from Sacred Heart Catholic Church and would like to be notified of funerals celebrated at Sacred Heart, please send an email to rev@trask.co (*if you were already on the Sacred Heart list, **you'll need to be re-added**, so make sure to send an email; the list didn't transfer properly*)
- ♦ If you are from St. Patrick Parish and would like to be notified of funerals celebrated at St. Pat's, send an email to secretary@stpatrickwellington.com
- ♦ If you would like to be notified of funerals at both parishes, please send an email to each address above.

Our condolences to **Sue Palmieri** on the death of her husband, **Joe**, who died on June 21. His funeral Mass will be next Saturday, July 7th at 11:00 am. Also to **Jose Gonzalez** on the death of his wife, **DiAnna**, who also died on June 21. Let us remember them and their families in our prayers.

Pastoral Installation

At the 10:30 am Mass **next Sunday, July 8th**, Bishop Martin J. Amos will install Fr. David R. Trask as Pastor of Sacred Heart Catholic Church.

Parishioners from St. Patrick will gather with us as we embrace the shared pastorate to which we and the parishioners of St. Patrick Parish have been called.

A social in the Education Building will follow the Installation. Anyone wishing to provide baked goods is most welcome for this celebration.

HEALING PRAYER After the 10:30 am Mass **this Sunday, July 1st**, there will be healing prayer teams available to pray with you for any intentions you may have. Go to the person wearing a red ribbon in front of the Confessional. Jesus is Alive and He heals! Please take advantage of this opportunity!

Due to the July 4th holiday, all are invited to gather in the Education Building **next Wednesday, July 11** at 7:30 pm for a prayerful evening of song, praise, teaching, sharing, and, of course, prayer. **All are welcome!**

All are invited to attend **Catholic Renewal Ministries' 36th Annual Conference** to be held on **July 20th and 21st** at Magnificat High School in Rocky River. This year's theme is **"Receive and Rejoice in the Holy Spirit"**. The conference opens on Friday at 7:00 pm. Guest speakers will be Lloyd and Nancy Greenhaw, Dave VanVickle, Bishop Nelson Perez, Fr. Bob Franco, Fr. Jacob Bearer, and Nick Alcantar. Contact **Shirley or Tom Fumich at 440-610-6604** for registration information or visit www.crmweb.org. **Advance registration postmarked by July 12th is \$30**, and at the door \$35. Please see the bulletin boards for flyers with registration information. Come experience the healing power and gifts of the Holy Spirit!

On **Saturday, August 4th**, we'll need 15 people (7th grade and up) to help set up our **Oberlin Family Fun Fair** table and games on the front yard of the New Union Center for Arts (a.k.a. FAVA). We need folks to staff the table, greet people, and hand out information for two-hour shifts (or longer, if you like!), run the games (Plinko and corn hole) and give out prizes, then take it all down and return table, chairs, games, and other materials to the education building afterward. If you're willing to help, please contact **Carrol Wilhelm at proof-it1@gmail.com or 440-371-8356**. The fair runs from 10:00 am until 4:00 pm.

Fr. Trask's Installation as Pastor

+ Jean Cobb & John Emerich

There have been occasions when some opt to park in front of the rectory garage—whether when coming to Mass or when meeting at the rectory. Although parking there has never posed any difficulty because of Fr. Cole's residence at the parish, it could become a problem due to Fr. Trask's frequent commutes to and from Wellington. Avoiding the rectory drive as an *additional parking spot* would be most appreciated!

A gracious thank you to all who have been so supportive through-out the last five months as we've laid a solid foundation for the shared-pastorate experience into which we've all embarked (and hopefully we're both actively involved in it).

Although I've only been pastor of Sacred Heart for a week, for the last 3 weeks I've been spending two-days a week at each parish. In just that short span of time, I'm finding my to-do list is growing a bit longer and I'm not always getting everything done as before. Part of that may be due to moving and settling into the office and rectory at Sacred Heart—it takes a while to get situated into a second space. Another part of it is the fact that both I and Fr. Cole did other things around our respective parishes because we had the time to do those things; the luxury of spare time may well become the exception rather than the norm.

If you see tasks going undone that were previously taken care of by some unknown person, please feel free to step up. Or if you feel qualified to do some things that you've seen me or Fr. Cole do, things which don't require ordination, feel free to approach (or email) me and offer; chances are I won't turn you down! As a family of faith, if we all work together doing our own little part, not one gets overworked and everything gets done just as was the case in the early centuries of the church.

Another important thing we can do (actually the most important thing we can do) is to **pray for vocations**. What we're experiencing between Sacred Heart Catholic Church and St. Patrick Parish will increasingly become the norm without more priests to pastor us.

If you visit priests.stpatrickwellington.com you'll find a page wherein you're invited to pray for both the priests and seminarians of our diocese pray for the fidelity of priests to their vocation, and for the seminarians that they be faithful to their vocational discernment.

Additionally, don't hesitate to suggest a vocation to a young man that you perceive has the qualities, disposition, and mindset that would make for a good priest. Your simple suggestion may spark a thought in him, or might validate an intuition he has already perceived.

You may have noticed colored flags in the yard just east of the Ed Building. A young scout, in his desire to earn the rank of Eagle Scout, is coordinating an effort to establish a picnic area within the perimeter of the flags. The parish has plenty of picnic tables from our former pavilion area, which have been kept protected in storage by a parishioner. These will soon find their way to this new picnic area.

At present the area will simply be shaded by trees. Of course this activity then begs the question: "Will we be constructing a pavilion around the tables?" In all honesty, I don't know. A lot will depend on the frequency of use once the picnic area is in place. I just want to bring you up to speed over what is happening on that plot of land. Please watch the bulletin for more information on the Eagle Scout picnic area project.

I am grateful that Sacred Heart has a petition book, wherein one can write particular or general requests for prayerful support. This is a healthy and laudable practice. But if the petition book is used solely as a medium by which to record our requests for prayer, then the book is not being used to its full and intended potential. Yes, it's vitally important that we record our prayers, but it's even more important that each one of us to peruse the pages of the book as we enter into the church. No, our perusal of the petition book is not because we're being "nosey"; we peruse the book so as to remind ourselves that we gather as a community of believers to pray with and for the community of believers.

As you read through the pages of the Petition Book, perhaps a particular request for prayer will touch you. Then, by all means, pray for that request during the Mass – especially during the petitions, wherein we're consciously calling to mind all the requests listed in our parish petition book. You may even want to keep that request in your personal prayer throughout the coming week.

While there has been a prior practice at Sacred Heart of opening the general intercessions at Mass to the particular needs individuals may bring to Mass, the documents on the liturgy do not envision such. Additionally, the practice is redundant since the Petition Book should already contain the many particular needs for which we desire to parish community to pray. I encourage you, at the final intercession each week, to call to mind your own personal intentions, as well as the various needs about which you've read in our Petition Book. And I'll ask the Lectors to include a pregnant pause (4-8 seconds of silence) to afford you ample time to actively call some of these intentions to mind.

In the coming weeks I'll be trying a few different LED bulbs in a couple of the church chandeliers. And I'll be looking for some input on your preference for color, possible sounds emanating from the bulbs, etc.

While we're making use of some LED lighting at Sacred Heart, each overhead fixture utilizes 300 watts of power □ 4800 watts total when all 16 fixtures are lit. And in the summer months when we're trying to cool the space, that wattage equivalent of running three 1500-watt space heaters while we're also running an air conditioner.

The bulbs ordered for testing purposes are 50 watt LED bulbs – with a lumen output equivalent or higher than that of the incandescent bulbs we're presently using. Unfortunately, not all bulbs are made with the same color rating – so we'll have to take that into consideration. Your input is welcomed.

The three primary color ratings for light bulbs are: Soft White (2700K – 3000K), Bright White/Cool White (3500K – 4100K), and Daylight (5000K – 6500K). The higher the Degrees Kelvin, the whiter the color rating.

The incandescent bulbs we're using have a color rating of 2700K. One test bulb (in the right rear fixture as you're facing the altar) is 3000K – but, because of its compact form, requires a cooling fan that'll whirl during Mass. The other bulb (left rear as you're facing the altar) is 5000K – which is much whiter than we're accustomed to ... but it also has a lumen (brightness) rating that's nearly 1000 lumens higher than the present incandescent bulbs.

While there are many manufacturers of LED bulbs, our ceiling fixtures eliminate many of them from consideration. Our fixtures demand illumination be no more than 7" from the domed refractive surface – and most LED bulbs in the 50 watt range are at least 10" in length. I'll keep looking for other possible options, but would appreciate some feedback on what you can live with (rather than focusing just on personal likes/desires):

- Is the whirl emanating from the right rear fixture bothersome? Would having 16 such bulbs be disruptive to what's taking place at Mass. If you sit in proximity to this particular bulb, did you notice any whirl until it was pointed out to you?
- Is the *whiteness* of the left rear bulb too bright or stark that it's distracting?

While nothing is being done hastily, the ability to be a bit more ecologically friendly (moving from 4800 watts to 800 watts required to illuminate the church) as well reducing the demand on the air conditioning system (by reducing the amount of heat incandescent bulbs pump back into the church) is one that seems apropos to pursue.

2018 has been a time of transition – for Fr. Cole, for us as a parish, for the parish staff, for the parishioners of St. Patrick Parish, and for me. But lest you think the time of transition and adjustment is over, don't be so sure.

Susan Case, whom many of you know as the smiling face you see as you enter the parish office – or the cheerful voice who answers when you call the office, has elected to retire. Long before Fr. Cole's retirement was announced, he informed me of Susan's intentions – but he was hopeful that Susan would remain a part of the staff at least through the transition of pastors.

I have only had the pleasure of working with Susan over the last five-or-so weeks, but in that time she has shown herself to be a valuable asset and wealth of information; she has been a key factor in making the transition of pastors a smooth one. It's readily apparent to me how deeply Susan loves Sacred Heart and everyone who comprises the parish family.

About two weeks ago Susan asked me if it would be okay if her last day at Sacred Heart would be Thursday, August 9th ... which is this coming Thursday. With gratitude that Susan willingly remained on as long as she has, I told her that whatever day she chose would be acceptable. I also asked if she'd be willing to return to help us when needed; she assured me that wouldn't be a problem as long as her health permits it.

If you'd like to join me in thanking Susan for her 11 years of service to us, feel free to drop her a note or send an email to Susan@SacredHeartOberlin.org

Confirmation

The Sacred Heart Confirmation Program invites students and their parents to an introductory meeting on **Sunday, August 12** in the Education Building following Mass.

To be eligible for Confirmation, students need to: be in high school this fall (grades 9-12); participated in last year's PSR program (or have been enrolled in a Catholic school); and be regular in their participation in weekly Mass.

Participation in the student/parent meeting is the means by which a student indicates interest in participating in this fall's Confirmation program. If you have questions, please contact **Anne Linden** at **440-647-2912**, before August 12.

A **PSR Staff Meeting** will be on **Thursday, August 16**. This meeting is for all PSR teachers and aides. Plan to attend the 6:30 pm Mass as we pray together for the upcoming PSR school year. Meeting will follow in the Education Building at 7:05 pm with Father Trask. Mark the date!

FORMATIONAL PRAYER HEALING CARE GROUPS

Healing Care Groups will again be offered this fall and after the first of the year, starting **Tuesday August 28** here at Sacred Heart Catholic Church. **This Fall group is being offered for men.** Formational Prayer/ Healing Care is a healing pilgrimage, a journey in life. It is a process that allows Jesus, through His Holy Spirit in us, to heal those places of hurts and brokenness caused by living on this fallen earth.

You will find information at the doors of the church and if you want to learn more about this process or to join a group please call **Ruth Steinacker** at **419-934-5726**.

Parish Pantry Bags are available in the back of the church this weekend. If you'd like to take one to fill, please return it to the green bin next week (if you have a Sacred Heart bag at home, please fill and return that one). Please **check expiration dates** on food items before donating.

At this time peanut butter and jelly/jam and fruit cups would be especially appreciated. Why not get your children involved? What nonperishable would they like to pick out for a family in need? As always, thank you for your generosity.

If you've stopped by the parish office on a Monday over the last 6 weeks, you've probably seen two ladies working in the parish office: Susan Case, who retired this past Thursday, and Christine Toth, whom Susan has been introducing to the many facets of parish secretarial life at Sacred Heart.

Christine, born in Penn-sylvania, is one of six children. She has been married to her husband Mike for the last 27 years. Mike's employment at Oberlin's ATC Center brought the family to the area in 1996. With their three children all in school, Christine began working as parish secretary at St. Patrick's.

Chris and Mike became involved as foster parents, and their integral involvement with three siblings from the same family brought them to the conclusion that it was important for them to adopt these three young children. One side effect of the adoption was that Christine needed to step back from ministering as parish secretary so that she could be a full-time mother to these children.

In November 2017, when Fr. Cole, Deacon Daw, and I began the long process of transition, his retirement and my assuming a shared pastorate with Sacred Heart and St. Patrick, Fr. Cole told me that Susan Case would be taking retirement in July next year. He recommended I begin considering possible candidates for parish secretary.

Long about March 2018 I approached Christine because I knew she'd previously served as parish secretary and would be familiar with much that is associated with that ministerial role. After prayerful consideration, Chris, Mike, and I sat down to discuss things further ... and I thought to myself, once again, "God provides."

Why do I say "God provides"? Unbeknownst to me, their youngest child will be entering school full time this fall – which frees Christine up from 9:00 am to 3:00 pm (our parish office hours on Mondays and Tuesdays). Additionally, Mike's job at Oberlin ATC has him off on Monday and working 2nd shift on Tuesday ... so he'd be able to be at home with the kids when there's no school. And since I have a facility for computers, I'll be able to configure Chris' computer in such a way that (if required) she could work on the bulletin and other parish correspondence from home.

Long story short: although Christine is new to Sacred Heart, she is not new to the ministries associated with serving as a parish secretary. Please join me in welcoming her to our parish family.

I often joke with people that I carry a driver license so I can remember my name. Seriously, though, names are one thing with which I regularly struggle. Give me a series of numbers and I'm good at remembering them; unfortunately, I don't have that same facility with names. All that means is that I need to work harder to overcome the deficiency with names.

If you have a relatively recent picture of yourself, or of the family, I'd ask that you send it to me ... along with a list of who's who in the picture. Believe it or not, I've found that perusing those pics during the weeks is extremely helpful in my getting enabling me to learn names. (And for those who might not have a facility with digital images, you're welcome to give me an actual picture—along with the list of who's to be found where in the picture.) THANKS!

With a change in personnel in the parish office, and Christine working slightly different days/times from Susan Case, we're changing-up the hours the parish office will be open. For a long time the office has been closed on Wednesday's; it'll now be staffed five days a week:

- ◆ Wednesday, Thursday, & Friday: 9am—noon
- ◆ Saturday & Sunday: closed

FORMATIONAL PRAYER HEALING CARE GROUPS

Healing Care Groups will again be offered this fall and after the first of the year, starting **Tuesday August 28** here at Sacred Heart Catholic Church. **This Fall group is being offered for men.** Formational Prayer/ Healing Care is a healing pilgrimage, a journey in life. It is a process that allows Jesus, through His Holy Spirit in us, to heal those places of hurts and brokenness caused by living on this fallen earth.

You will find information at the doors of the church and if you want to learn more about this process or to join a group please call **Ruth Steinacker at 419-934-5726.**

Parish Pantry Bags are available in the back of the church this weekend. If you'd like to take one to fill, please return it to the green bin next week (if you have a Sacred Heart bag at home, please fill and return that one). Please **check expiration dates** on food items before donating.

At this time peanut butter and jelly/jam and fruit cups would be especially appreciated. Why not get your children involved? What nonperishable would they like to pick out for a family in need? As always, thank you for your generosity.

FAMILY FUN FAIR: Thanks so much to Deacon Tom, Joy and the Gulishes, and the nearly 2 dozen other volunteers who helped set up, take down, and staff our table and games August 4th. The fun fair is a great way to make our Catholic presence known (or better known) in the Oberlin community. In addition, we get the opportunity to know other parishioners better. It was a fun day, and we hope next year you'll want to be part of it!

DON'T FORGET that you can recycle paper here at Sacred Heart. We can take newspapers, magazines, shopping catalogs, phone books, office and school papers, and flattened cardboard. (Please do not bring plastic, metal, glass or trash.) Clean out your garage and attic and bring these paper products to the green and yellow recycling bins in our parking lot. The parish benefits financially from every ton we collect.

In March 2016, a mere number of days into my time at St. Patrick Parish, the Parish Finance Council met. Top on their agenda was: *"Father, you need an alarm system for the rectory."* Well, I proceeded to obtain three quotes for an alarm system and none of them was inexpensive. So, rationalizing that there'd never been a problem at St. Patrick, I couldn't justify the expense of a security system. As a result I chose to disregard the advice of Finance Council.

All went well until December 17th, 2016 when I was awakened at 3:55 am to what sounded like ice sliding off the roof and shattering on the ground. Then in my slumber I remembered that there was no ice on the roof when I'd gone to bed. The shattering I'd heard was the glass of a stairway window. I called the Wellington PD. They arrived a minute or two later & arrested the intruder who was still in the rectory.

Four weeks to-the-day later, January 14 2017 at 2:30 am I heard a thud; I thought it might be a problem with the boiler. But as I listened I could hear footsteps. Again I called Wellington PD, who upon searching the rectory discovered an intruder in the basement.

At no time, whether before, between, or after the two break-ins at St. Patrick did I ever feel uncomfortable without an alarm. Even when I called Wellington PD to report the second break-in, I started by telling the dispatcher: *You need to know that, since the December break-in, I've slept like a rock every night. That said, I've heard footsteps so I know there's an intruder.*

While neither council of Sacred Heart Catholic Church (Parish nor Finance) has directed me to look into an alarm system for the parish, I believe it's a prudent investment since I am only at the parish three days a week. With the rectory being vacant most nights, and staff members entering an empty office/rectory most mornings, the peace of mind that comes from knowing that the facility hasn't been intruded upon is most comforting.

At present, security is only in the rectory and office area. That said, it's probably prudent to expand monitoring into our worship area as well. Approximately 2 years ago St. Joseph Parish, Amherst, had someone break into the Sacristy; while the thief couldn't break into the safe, significant damage was inflicted.

Rest assured that **provisions are being made to insure that** everyone who needs access to the church will retain access – while still allowing for unoccupied security. When Deacon Tom & I spoke about church security, I assured him that I want everyone who needs access to the building to retain access.

Because I'm not always on-site it's vitally important that Eucharistic Ministers to the homebound, Art & Environment members, Food Pantry workers, Sacristans, and numerous others retain access. It's just that access will transition from the current push-button doorknob to a key-fob or key-card type access – which will not only unlock the door but will also disarm the system (should it be armed). Any church security monitoring, though, will not be activated until all are afforded this alternate means of access!

To help plan for the eventual transition, if you feel you need ready-access to the church I'd simply ask that you provide me with your name, email, cell #, and the reason you seek unrestricted access. You can do this via note or email to me (Fr.Trask@SacredHeartOberlin.org) or to Deacon Tom (tbdaw@me.com). I'm hoping that by starting to compile a list now, and working at that list for a period of time, its thoroughness will insure that no one who needs access is overlooked or missed when the transition takes place.

The RCIA: A Journey of Faith

Since Jesus invited His first followers to, "Come, follow me", the image of journey has been used to describe Christian discipleship. For each of us faith is a journey marked with moments of conversion along the way....we move from unbelief to initial faith, from sin to repentance, from painful isolation to the joyful experience of a loving community, from fear to love.

Faith, conversion, repentance, celebration and community – five basic elements that are present in the Rite of Christian Initiation of Adults (RCIA). The RCIA provides a setting where the journey of faith and moments of conversion can be celebrated within the local Church community. The purpose of the RCIA is literally "the making of Christians", for as Tertullian in the 4th century wrote "Christians are made, not born."

Are you interested in, or do you know someone who would be interested in, participating in the journey of faith? Call the office at 440.647-4375 x0.

This invitation is extended to:

- anyone who has never been baptized or
- affiliated with any church and has a desire to be a member of a church community
- anyone who has been baptized in another denomination but is interested in learning about the Catholic faith

Each year the Parents of Priests organize what they call their *25 Club Raffle*. Each \$25 ticket offers you opportunities, over the course of 25 weeks, to win anywhere from \$25 to \$500. For the first 22 weeks, three winners are chosen each week – each winner receives a \$25 check! In the 23rd and 24th weeks of the raffle, prizes increase to two \$125 winners and one \$250 winner. In the 25th week of the raffle, prizes are two \$250 winners and one \$500 winner. After each weekly drawing, winning tickets are returned to the hopper – which means you *could* win up to 25 times on a single ticket!

The proceeds of the *25 Club Raffle* benefit the seminarians of the Diocese of Cleveland. For more information, or to purchase tickets, contact the parish office: 774.6791 x0.

Next weekend Fr. Andrew Torma, a Missionary of the Sacred Heart (and native of Ashtabula, OH) will give our annual missionary appeal. The annual Mission Appeals remind us that the Catholic Church is universal.

The Missionaries of the Sacred Heart (MSC) have served in many mission lands since the foundation of their order 150 years ago. Please remember them in your prayers, asking God to give them wisdom and courage in spreading His word and in witnessing to His loving concern for all.

There will be a second collection next weekend in support of the missions. Please make any check payable to SACRED HEART CHURCH; we'll deposit everything, and write one check to the mission office for the MSC collection.

"I Believe in the Holy Spirit, the Lord and giver of life"

We say those words written above every time we pray the Creed and yet, the Holy Spirit is really the forgotten person of the Trinity. We relate very easily to God as the Father and Son, but we just aren't quite sure about the Holy Spirit. In fact, not so long ago, we called him the Holy Ghost! That was a name that seemed to conjure up a rather shadowy version of God hovering just behind us and on the edge of our sight. And yet, God the Holy Spirit is really the way all of us most normally experience God day to day.

That quiet Presence in our lives that makes us say, "God is near me," is the Holy Spirit. Those times we stand up for what we believe and feel a Fire in us that gives us courage and strength are times when the Holy Spirit motivates us. Those times of crisis when we ask God for help are times when the Holy Spirit responds with the graces we need to get through the trouble we are in. The Holy Spirit is the God who dwells in us. God lives in us because of our Baptism. You probably never thought that Baptism still had an effect on you, but it does. Because you were baptized, God came to dwell in you, God the Holy Spirit.

It sort of puts a new spin on things doesn't it? God isn't up there in the sky; God is with us now, always. When we do good, and when we do evil, God is here. Maybe if we thought about the Holy Spirit more we'd think about how close God is to us. Maybe we wouldn't pretend so often that God was far away and not really concerned about us. Maybe we would want to be a little closer to God.

How to Interpret the Scripture?

As believers, we do not read the Bible merely to be informed about its content or to be inspired by its religious message. We read the Scripture in order to be transformed, to be shaped and reshaped by that message so that we can reveal it in new and authentic ways in the manner we live our lives.

Whether we realize or not, we are always involved in complex of reinterpretation. We do not simply read the Bible in order to discover what it meant to the original community. We are interested in what the Bible might say to us today, and in some ways it might say something quite different than it said to those who first heard it. This calls for reinterpretation.

The reason the Bible might be interpreted differently lies in changes that take place in our human history. Let us take, for example, the understanding of family. It has changed dramatically not only over the centuries but even in our own lifetime. We may have grown up thinking that a family consisted of Father, Mother, Dick and Jane, Spot the dog and Whiskers the cat. Today we have nuclear families, extended families, single-parent families and multiple-marriage families to name but a few examples. We now realize that when we read the word "family," we cannot automatically presume that we know what is meant by the term. The same is true with various expressions found in the Bible. Our contemporary awareness of racial or gender bias makes us sensitive to the way characters in the biblical stories relate to people of different races or to the status accorded to women in the society described. There are times that we cannot simply take the words of the Bible and apply them to our lives. Most of us knows that reinterpretation is rather difficult to do and that the customs of a distant culture do not fit the experience of our own. What should we do? It is neither necessary nor wise to reject the biblical message outright. Using the right commentary we might be able to come to new insights into how we can be faithful to the meaning of the biblical message in our times.

As we read some of the teaching found in the Scripture, we can see the need for such reinterpretation. For example, when the authors refer to the neighboring Edomites, Philistines and Samaritans with loathing. Certainly the summons of Jesus to love even one's enemies requires that we do more than loathe those who are different than we are. Interpretation will help us to see that these ancient political enemies frequently also posed a religious threat to the people of Israel. Reinterpretation will encourage us to discover what in our own lives challenges our religious integrity. Sometimes the biblical message does not challenge contemporary experience so much as contemporary insight challenges the biblical community.

We believe that God was revealed in the lives of our religious ancestors. We also believe that the traditions that they developed to describe and to explain this divine self-revelation, traditions that are contained within the Bible, also reveal God. What we must also remember is that God is revealed in our lives as well. We face the same challenge that was faced by believers down the centuries. We are called to bring the experience of our own lives into creative dialogue with our religious tradition in order to discover anew the God who is with us. We are called to transform our lives in accord with this new discovery.

Confirmation classes have started! We have six students in formation on the journey to adult membership in the church of the future. We are asking for *prayer support* for them and for us, their instructors. This journey, by its nature, involves some serious life choices. Prayers for endurance, open hearts, the desire for truth and honesty, especially to themselves would give strength and support for this spiritual journey. We thank you for your willingness to be involved! Jackie Findish and Ruth Steinacker.

Sing to the Lord a new song! You are invited to a **Life in the Spirit Program** this fall, presented by the Sacred Heart Oberlin Prayer Group. We will use the Renewal Ministries DVD As by a New Pentecost for the talks, given by nationally known speakers like Ralph Martin and Peter Herbeck (who gave a Lenten Mission in our parish a few years ago). Each evening session will include praise and worship, a DVD presentation, discussion along with refreshments. There will be seven sessions, Wednesday evenings, **Oct. 3–Nov. 14, 7-9pm**, in the Sacred Heart Education Building. All are welcome. See the poster on our bulletin board, and sign up. Questions? Call or email Eric Carpenter (775-2546) eric.carpenter@oberlin.edu or Sue Palmieri

Since October is Pro-Life Month, our parish is having a **Baby Bottle Campaign** for Birthright of Lorain County, from the weekend of **October 6-7 to October 27-28**. Individuals and families may pick up a baby bottle at Mass the weekend of October 7 and return it to Mass at the end of the month. All donations will help Birthright, an all-volunteer, pro-life pregnancy support service that has served Lorain County since 1973. Last year their office had over 2700 visits from over 800 families. All services are free and confidential. They provide pregnancy tests, formula, diapers, baby food, maternity clothes, clothing for infants and children, and help with social services in the community. Last year they gave out 228 layettes for newborn babies. Thank you for being Christ for others through Birthright! Questions? Contact Kathy Carpenter, 775-2546.

OBERLIN COMMUNITY SERVICES is in urgent need of your help to supply **non-food items**. While Second Harvest and other donors supply food they do not provide toiletries, diapers, household cleaning supplies. For the remaining weeks in September there will be a bin in the back of church to collect the following items: body wash or bar soap, shampoo, conditioner, deodorant, lotion, toothpaste, toothbrushes, dishwashing liquid, laundry detergent liquid, toilet paper, disposable diapers sizes 4,5,6, pull-ups, and baby wipes. The clients of OCS will be very grateful to receive these necessities.

Thanks for helping the most needy in our community.

In July I wrote about the Universal Prayers at Mass, often times referred to as the *General Intercessions* or the *Petitions*. But it would seem that a bit more liturgical catechesis is apropos as we transition to greater use of the Parish Petition Book.

The *General Instruction of the Roman Missal* (GIRM) is the document that directs what we do, and how we're to celebrate, the Mass. When our responses at Mass changed in 2012, it was because a new Roman Missal – and as well as a new GIRM – were issued and implemented.

Paragraph 71 of the GIRM (2012 edition) offers specific guidelines for the Universal Prayers we offer at Mass – both weekend and weekday; it directs:

The intentions announced should be sober, be composed with a wise liberty and in few words, and they should be expressive of the prayer of the entire community.

They are announced from the ambo or from another suitable place, by the Deacon or by a cantor, a reader, or one of the lay faithful.

The people, for their part, stand and give expression to their prayer either by an invocation said in common after each intention or by praying in silence.

As part of a Universal Church, the GIRM intends to provide specific guidelines so as to allow a uniformity amongst celebrations of the Mass throughout the world. As members of the One Body of Christ, we are all called to worship in a way that is unitive, rather than particular to each local community.

One of the great benefits of utilizing a Parish Petition Book is that it allows the parish community to accurately embrace the GIRM directives while also allowing the many particular prayer requests to be part of our Sunday worship. And the Petition Book does this in a far more inclusive way than having individuals vocalize particular requests at Mass.

While individual vocalization of petitions by the community at large is not envisioned by the GIRM, those who opt to vocalize a petition represent only a small part of the entire parish community. Some people are natural extroverts and think nothing of expressing a petition – but there is also a significant part of the community who are horrified by the thought of having to speak in public. One of the reasons the GIRM does not envision publicly expressed petitions at liturgical celebrations is that, although everyone's petitions are of equal value, inhibitions limit many from participating and feeling included.

Use of the Petition Book gives everyone the ability to express their petitions, and to request prayerful support from the faith community. Rather than people feeling limited by fears, everyone feels free to make a contribution. Writing a petition doesn't force someone to speak in front of others, it's more inclusive – placing everyone's prayer request on equal footing.

An advantage to the Petition Book is that the number of people keeping your particular need in prayer is far greater. Instead of just those individuals who were at the one Mass where a petition was vocalized keeping the intention in prayer, every intention in the Petition Book receives a much wider audience! The prayer pages will be scanned and made available so that others, throughout the week – not just on Sunday – but throughout the week, may pray for those written petitions. In the near future we'll start scanning the Petition Book pages on Mondays, and sending them out as part of the Parish Prayer Chain (which is already quite active). Additionally, we'll be posting the same Petition Pages to a page on the website where anyone (whether parishioner of Sacred Heart or someone half-way around the world) can retrieve them and lift up the numerous particular needs in prayer.

To help us *visualize* (so to speak) the various needs listed in the Petition Book, we'll be incorporating a bit more silence throughout the various weekend petitions. We may start by saying something like: *For the sick, and for all those experiencing physical limitations* and then there'll be a pause wherein we can call to mind some of those needs about which we've read in the Petition Book – and then the petition will continue. These silences, which will be a part of most every petition, will allow us the opportunity to be cognizant of the needs about which we've read in the Petition Book, and over which we've prayed during the past week.

Some may speak of personal preference for how petitions were previously vocalized. What's important to remember is the Liturgy is not our personal prayer, prayed according to our particular likes or dislikes, and augmented by additions or deletions which we may deem apropos. The GIRM provides us the framework within which we celebrate the Mass, and the norms expressed in paragraph 71 of the most recently issued GIRM are calling us to make this reorientation in the way we place our needs before the Lord at Mass.

As October is *Respect Life Month*, and we're on the doorstep of October, I thought I'd share some reflections from a homily given by Pope St. John Paul II on 7 October 1979.

Almighty God, Our Father, You have given us life and intended us to have it forever. Grant us Your blessings. Enlighten our minds to an awareness and to a renewed conviction that all human life is sacred because it is created in Your image and likeness.

Help us to teach by word and the example of our lives that life occupies the first place, that human life is precious because it is the gift of God whose love is infinite. Give us the strength to defend human life against every influence or action that threatens or weakens it, as well as the strength to make every life more human in all its aspects. Give us the grace...

- ❖ When the sacredness of life before birth is attacked, to stand up and proclaim that no one ever has the authority to destroy unborn life.
- ❖ When a child is described as a burden or is looked upon only as a means to satisfy some emotional need, to stand up and insist that every child is a unique and unrepeatable gift of God, a gift of God with a right to a loving and united family.
- ❖ When the institution of marriage is abandoned to human selfishness or reduced to a temporary conditional arrangement that can be easily terminated, to stand up and affirm the indissolubility of the marriage bond.
- ❖ When the value of the family is threatened because of social and economic pressure, to stand up and reaffirm that the family is necessary not only for the private good of every person, but also for the common good of every society, nation and state.
- ❖ When freedom is used to dominate the weak, to squander natural resources and energy, to deny basic necessities to people, to stand up and reaffirm the demands of justice and social love.

Almighty Father, give us courage to proclaim the supreme dignity of all human life and to demand that society itself give protection.

We ask this in Your name, through the redemptive act of Your Son and in the Holy Spirit. Amen.

In Pope Francis' book *The Name of God is Mercy* he wrote: *"The more conscious we are of our wretchedness and our sins, the more we experience the love and infinite mercy of God among us, and the more capable we are of looking upon the many 'wounded' we meet along the way with acceptance and mercy."* The Pope also offers a counterpoint by saying: *Those who are in the habit of judging people from above, who are sure of their own righteousness, who are used to considering themselves just, good, and in the right, don't feel the need to be embraced and forgiven.*

One of the best ways to encounter God's mercy is in the Sacrament of Confession. In that sacrament you experience the Lord's tender mercy and, as the pope reflected, *When you feel his merciful embrace, when you let yourself be embraced, when you are moved—that's when life can change.*

Each year around the feast of St. Luke (himself a physician, and the patron saint of physicians) we share the Sacrament of the Anointing of the Sick at Mass. The sacrament is available to anyone desiring physical, emotional, psychological and/or spiritual healing.

This Sacrament was once referred to as the Last Rites (or Extreme Unction) and you needed *one foot in the grave and another on a banana peel* before you were eligible to receive the Sacrament. During the reforms of the Second Vatican Council, it was determined that the healing touch of Christ should be available to many people - not just the dying. Such as:

- If you're a caregiver and struggle with mental fatigue or emotional exhaustion, the Church would encourage you to participate in the Sacrament.
- If you've been diagnosed with a health issue, it's appropriate that you receive the Sacrament.
- If arthritis, rheumatism, or a fading memory are part of your life experience, you may wish to receive the strength of the Sacrament.

Prayerfully reflect upon your life and, if you feel you'd like to share in this Sacrament, please plan to attend the 10:30 Mass next Sunday, October 14th. (Please note: because the Sacrament will be shared during Mass, Mass may last a bit longer than usual.)

PARISH COUNCIL SELECTION PROCESS

The terms for two of the parish council members, Linda Butler and Sue Hanko, will be coming to an end. We are asking parishioners who are interested in serving on Parish Council to attend one of the information sessions that will be held after Masses on the weekends of the 6/7 and 13/14. Current Parish Council members will be on hand to provide information and to answer any questions. Attendees will be encouraged to pray and discern if they would be willing to serve. Once nominees are identified, they will be asked to provide written answers to a questionnaire. The current Parish Council will then have a prayer and discernment session to select new members from those nominees provided. In this way, we hope to ensure that all nominees are knowledgeable about Parish Council and are interested, committed and willing to serve in this important role. To be eligible, one must:

- 1) Be a registered parishioner
- 2) Have received the sacrament of Confirmation and be practicing one's faith regularly
- 3) Have not served on Parish Council for the previous two years
- 4) Must not be an immediate family member of an existing Council member in the same household
- 5) Must be able to attend the Council meetings, held the 3rd Thursday of each month with a hiatus for the months of June and July

The **Peace and Justice Committee** has made significant achievements in works of peace-making and non-violence, social justice, and sustainability. The committee provides education, advocacy, and action pertaining to the social teachings of the church. We believe that we are working at the heart of what Christianity is all about. To continue this effort, we are inviting parishioners who have an interest in these values to join the Peace and Justice Committee. The Peace and Justice Committee is affiliated with the Social Action Office of the Diocese of Cleveland. For further information and to join, please email Jessie Ferriols at jessieferriols@gmail.com or leave your name and phone number with the parish secretary.

As we are in the month of October, a month traditionally focused on Mary, and as we are praying the rosary before the Saturday evening Mass, it seems appropriate to offer a multi-segment reflection on the rosary over the next few weeks...

Imagine looking upon the face of Jesus through the eyes of Mary. Imagine pondering the words and deeds of Jesus with Mary's mind. Imagine feeling the joys and sufferings of Jesus with Mary's heart. This is the type of imaginative meditation to which the rosary invites us. The rosary is a reflective prayer that we offer to God in union with Mary.

In Christian tradition, Mary is honored primarily for two reasons: she is the mother of Christ and she is the model of discipleship. The gospel of Luke expresses this double honor. First, the gospel reveres Mary as the bearer of Christ: "Blessed are you among women, and blessed is the fruit of your womb" (Luke 1:42). She is the human instrument through which God would bring the Messiah into the world, the vessel through which divinity would join with humanity in her Son. Second, the gospel honors her as an ideal disciple: "Blessed is she who believed that there would be a fulfillment of what was spoken to her by the Lord" (Luke 1:45). She listens to God's word and trusts that God would bring the salvation that he promised.

Mary was with Jesus from the moment of his conception. As his mother, she gave him life and shared her human likeness with him. She taught him the Scriptures of Israel and the traditions of their people. With Joseph, her husband, she brought Jesus to the temple in Jerusalem to celebrate the feasts of Judaism and taught him to sing the psalms. After narrating the events of Jesus' childhood, the gospel says, "She treasured all these things and pondered them in her heart" (Luke 2:19, 51).

Mary remained intimately united with Jesus through his adult ministry. John's gospel tells us that she was with Jesus at his first public miracle at Cana (John 2:1-5). She remained with Jesus all the way to his cross as she watched him suffer and die (John 19:25-27). The Acts of the Apostles tell us that she was part of the community of disciples that remained in Jerusalem after Christ's resurrection and experienced the coming of the Holy Spirit (Acts 1:14). No one knows Jesus better than Mary, and no one can help us understand the mysteries of his saving life better than Mary.

When praying the rosary, the focus of our attention is Christ and his saving life. Yet, we ask Mary for her prayerful support and guidance, that we may walk in faith as she did. Like her, we want to entrust our lives to God, praying with her, "Let it be, thy will be done." And so we honor Mary, joining Christians down through the ages who have expressed admiration and affection for her through feasts, paintings, music, and devotional practices. When we give honor to Mary, we are praising the great things that God has accomplished in her. God took the fragile human life of Mary of Nazareth and transformed her with his grace into humanity's exemplar. She is the radiant daughter of the Father, tender mother of the Son, and beloved spouse of the Holy Spirit. Through God's grace she is united most fully with the life of God, she shows us the way to intimate, interior union with God.

PARISH COUNCIL SELECTION PROCESS

We are asking parishioners who are interested in serving on Parish Council to attend the information session that will be held after Masses this weekend. Current Parish Council members will be on hand to provide information and to answer any questions. Attendees will be encouraged to pray and discern if they would be willing to serve. Once nominees are identified, they will be asked to provide written answers to a questionnaire. The current Parish Council will then have a prayer and discernment session to select new members from those nominees provided. In this way, we hope to ensure that all nominees are knowledgeable about Parish Council and are interested, committed and willing to serve in this important role. To be eligible, one must:

- 1) Be a registered parishioner
- 2) Have received the sacrament of Confirmation and be practicing one's faith regularly
- 3) Have not served on Parish Council for the previous two years
- 4) Must not be an immediate family member of an existing Council member in the same household
- 5) Must be able to attend the Council meetings, held the 3rd Thursday of each month with a hiatus for the months of June and July

ONE QUESTION SURVEY: This year we'd like to know the favorite/best/most memorable Christmas gift you ever received. Your response can be emailed to XmasStory@sacredheartoberlin.org or placed in an envelope marked NEWSLETTER and dropped in the collection basket. You do not have to be a parishioner here to participate.

Everyone is invited to B.V.M.'s (South Amherst) **candlelight rosary service** on October 17th at 7 pm. Light refreshments will follow in the social hall.

As we continue through the month of October, a month traditionally focused on Mary, and as we are praying the rosary before the weekend Masses, we continue this multi-segment reflection on the rosary ...

The rosary is essentially a contemplative prayer. Our primary focus when praying it is meditation on the joyful, luminous, sorrowful, and glorious mysteries. Rarely do the repeated prayers become our focus; they fade to the background of our consciousness as they are repeated, mantra-like, over and over again. Meditating on the mysteries means entering the mysteries with our mind and heart - picturing the scene in our imaginations, getting inside the characters, feeling the moment with our emotions, resting in gratitude for the saving gift of the mystery. The prayer is physical and sensate as our hands finger each bead; it is verbal as we pray each prayer; it is contemplative as we enter deeply into each mystery. It seeks to bind together body and soul, mind and heart. The real focus: contemplation and reflection.

The rosary must never be a superficial, mechanical exercise. We need to heed the warning that Jesus offered in his sermon on the Mount: "When you are praying, do not heap up empty phrases as the gentiles do; for they think that they will be heard because of their many words" (Matt 6:7). Jesus is criticizing the pagan practices of reciting endless formulas in a vain attempt to force the gods to answer their petitions by saying the right verbal formulas. Repetitive prayer can become like pagan practice if it becomes an end in itself, a task to be accomplished rather than a means to deeper union with God.

Repetition: Getting into the rhythm of prayer: The practice of contemplative prayer in every spiritual tradition teaches that there is a value in repetition. When we repeat certain phrases and even actions, like fingering prayer beads, we create a quiet rhythm within our spirits. The beating of our heart is a repetition as is the rhythm of our breathing. All of life has its rhythms, and the repetition of familiar prayers can bring our interior spirits into harmony with the divine heartbeat and the breathing of the divine Christ. The undulation of repeated prayer can be calming and introspective. It can soothe like a lullaby and leave the mind and heart free to ascend to God, to express interior feelings and sentiments that are almost impossible to put into words. Like a repetition of "I love you" in the context of heartfelt affection, prayerful words have the power to calm and heal. Based in an intimate and personal relationship with Jesus Christ, repetitious prayer can be an important part of the language of love. The rosary can accompany us in times of joy and deep difficulty. It can be a healing prayer in times of darkness and anxiety, a lifeline in desperate moments, a place of refuge amid interior storms. It offers an opportunity to step back for a moment from the challenges of life, an easy way to come into contact with the presence of God. We live in an age in which large numbers of people have lost any sense of the divine mysteries. The skepticism and rationalism of our modern world have eliminated from many human hearts any deep experience of awe and wonder at the unfathomable wonders of God.

As we near the end of October, a month traditionally focused on Mary, and as we are praying the rosary before the weekend Masses, we conclude this multi-segment reflection on the rosary

...

Taking up the rosary anew: For many, the rosary seems to belong to the gentle piety of an age that has passed. It seems out of place in a church that is biblically grounded, liturgically manifested, and socially conscious. But when we take the rosary anew, we realize that this ancient practice has much to teach us and that praying this devotion can lead us to a richer understanding of the Bible, a more active participation in the liturgy, and a more committed involvement in the world.

Because the rosary is so deeply rooted in God's revelation through the Scriptures, it should invariably lead us to a richer reading and study of the Bible. Both meditating on the mysteries of the rosary and reading the Bible as the word of God can lead us to deeper union with God. Likewise, the rosary should lead us to participate more fully in the liturgy. Though the rosary has less value than the public liturgy in the church, it is an ideal preparation for the liturgy of the word and Eucharist. The rosary's practice of biblical contemplation can teach us how to experience a more interior participation in the public prayers and liturgy.

As the first and most perfect disciple - the one who heard the word of God and acted upon it like no other person in history - Mary demonstrates both the contemplative and the active dimensions of the Christian life. She listened and pondered God's word and gave it birth in the world throughout her life. In singing her Magnificat, she was a prophet announcing the coming justice of God. She is the mother of all disciples and an icon of the church. With her we can stretch our hearts to take in the whole world, especially victims of injustice and violence. By praying with her while meditating on the mysteries of the rosary, we can become active contemplatives and live out more passionately our Christian vocation in the world.

The symbolism of the rosary wonderfully expresses its rich meaning. All the beads of the rosary converge on the crucifix, which represents the source and the goal of our prayers. Our devotion is always offered through Christ and, together with his eternal offering on the cross, is directed to the praise of the Father. The linking of the many beads reminds us that all people are joined together in Christ, as sons and daughters of God. Even when we pray in private, we are joined with all those we love, with those in need for whom we pray, with the family of God throughout the world, and even with the saints and angels in heaven. We are all intertwined in the common bond of Christ. The decades of beads represent the mysteries of our faith by which we are joined to God and one another. As John Henry Newman said, the rosary is a way of "holding in our hands all that we believe."

As we prepare to being a new liturgical year at the end of this month, it seems an opportune time to renew and refresh our personal understanding and appreciation of the Mass so that we might give God better and fitting praise.

Starting this weekend, a brief Liturgy Lesson will precede the beginning of Mass. Each lesson will explore some facet of our worship and/or our worship space, and will set the tone for each Mass. Since liturgy is everyone's act of worship, the more we understand various aspects of the liturgy, the easier it will be for us to fully and actively participate in this sacred action of the Universal Church.

To the best of our ability, that which is shared at this point in the liturgy will be reprinted in the following weeks bulletin so you may ponder it after-the-fact, or catch up on a liturgy lesson you missed.

In addition to our Liturgy Lessons at Mass, there will be opportunities in early 2019 to further enhance our understanding of the Mass. At dates and times yet-to-be-determined, we'll ponder and discuss the videos of Bp. Robert Barron entitled: The Mass.

I hope you will enjoy and grow through this focus on the Mass. The more we understand the prayer we offer to God, the more fully, actively, and consciously we can participate in it!

NEXT Weekend we'll be hosting a Ministry Fair in the Education Building following weekend Masses – which will run concurrently with our monthly Coffee Hour. Make it a point to spend a little time after Mass socializing with other Sacred Heart parishioners. Many of the parish groups/ministries/activities will have representatives by their displays/tables who will be able to offer personal insights into their particular ministry/activity.

We are proud to introduce to you Miss **Joy Vaughn** a member of our parish who is pursuing formal initiation into the Catholic faith. We have arranged for her to receive **R.C.I.A.** instructions at St. Joseph Amherst where she is joined by six others in formation. Please keep Joy in your prayers as she takes this journey into a deeper understanding of our Catholic faith, and her own faith story.

I am Joy Vaughn. I am 18 years old and a teacher.

I have been attending Catholic Mass for 2 years. My boyfriend, Matt Gulish, introduced me to the Catholic religion. I have learned and grown so much from attending Mass and have started to follow the religion myself. The whole Gulish family has been amazing role models of faith for me.

If you missed it, here's last weekends *Liturgy Lesson*:

One of the most immediate experiences by which one knows they're in a Catholic church is the Sanctuary Lamp, burning twenty-four hours a day near the Tabernacle. Catholics know that Our Lord is present in that Tabernacle; we often refer to that presence as "The Blessed Sacrament" – the actual Body and Blood of Christ ... not a symbol or sign, but His actual Body and Blood. When we are before "The Blessed Sacrament," that is a time of solemn prayer. In Churches designed prior to Vatican Council II, the Tabernacle was always on the main altar right in front of the priest as he said Mass with his back to the people.

Believe it or not, for hundreds of years there were no tabernacles in Catholic churches at all. The Blessed Sacrament was kept in the home of the priest (the rectory) so that he could carry it to the sick when necessary. And later, when the tabernacle was moved into the Church it was not put on the main altar but in a side chapel; in virtually all of the great Catholic cathedrals of Europe including St. Peter's Basilica in Rome, the tabernacle is not on the main altar but in a side chapel – although often a chapel nearly as big as a church!

After the Second Vatican Council, the Church said that: the Tabernacle should not be on the main altar, and; it should not distract from the action at the altar. The Church Father's did not want any confusion between the action of the Mass and the reservation of the Blessed Sacrament. Mass is the celebration of Christ **becoming present** to us: in the breaking of His Word, in the celebration of his death and resurrection in the Eucharist, and in the community (the Body of Christ) gathered in prayer.³⁹ Because the action of the Mass focuses on Christ's **becoming present**, and the Blessed Sacrament is a celebration of Christ who **is present**, the Blessed Sacrament is reserved in a location separate and distinct from where Christ's **becoming present** is celebrated.

Last week we spoke of the trend, since the Second Vatican Council, to repose the Blessed Sacrament in a Blessed Sacrament Chapel – or at least not front-and-center in the sanctuary. Does that mean that we no longer genuflect when we come into church?

Genuflection is a sign of reverence, and in the case of Catholics, it has always been a sign of reverence and adoration for the Blessed Sacrament – the actual Body and Blood of Christ, not a sign or symbol, but his actual body and blood.

When the Blessed Sacrament is not in the main church, such as is the case at St. Peter's in Rome, the proper form of reverence is to bow to the altar – just as we have always done, for instance, on Good Friday. We bow, or reverence, the altar because it is the structure upon which we celebrate the sacrifice of Jesus; the altar, historically, is a symbol of Christ.

Those who went to Catholic Schools back in the early-to-mid 20th century, often went to Mass several times a month. It was easy for the teacher, usually a nun, to practice genuflection: the entire class going down on the right knee and, often, making the sign of the cross while on that knee. For many reasons that teachable situation isn't present any more. We hope that parents teach their children to bow to the altar when the tabernacle isn't visible and to genuflect to the tabernacle if it is present.

Occasionally there's the question: when do we genuflect on one knee, and when do we genuflect on two knees. Simply put: it's always and only a single knee genuflection. In my early years there was the errant belief that you genuflected on both knees when the Blessed Sacrament was exposed – and only on a single knee when Jesus was in the tabernacle. In June of 1973 the Congregation for Divine Worship stated: "Genuflection in the presence of the blessed sacrament, whether reserved in the tabernacle or exposed for public adoration, is on one knee."¹ The reason for the continuity between qualities of genuflection is a reminder that the Lord is equally present, whether within or outside the tabernacle.

More important than teaching how to genuflect, is remembering why we genuflect. A religious belief unique to Catholics is belief in the Real Presence of Christ on our altar and in our tabernacle: the Christ who died on the Cross and rose from the dead is the same Christ we receive at communion and who is reserved in the Tabernacle. If we always recall the one whom we are reverencing, then our every bow and genuflection will be an expression of awe and respect for our God.

Many of us were raised with the Baltimore Catechism, first written in 1942. It said that the Mass was composed of three principal parts: Offertory, Consecration and Communion. Many of us remember that if you missed one of those principal parts of the Mass you had, in effect, missed all of the Mass and had to come to another Mass or risk Mortal Sin for having missed Sunday Mass! Suddenly that definition of the parts of the Mass disappeared after the Second Vatican Council. Why?

The main reason for the change was to restore the Scriptures to their proper role. Christ is as present when the Word is broken as He is when the Eucharist is shared! If the Baltimore Catechism were to be written today, it would say that there are two principal parts, the Liturgy of the Word and the Liturgy of the Eucharist. A 21st century edition of the Baltimore Catechism would also say that:

- It's important to be prepared for Mass. It would encourage you to arrive a few minutes early so the tensions of the world have a chance to subside; the prelude before Mass seeks to enable this so that, when Mass begins, you're ready to celebrate, to listen attentively, and participate fully.
- Mass begins with the first note of the opening hymn and ends with the final note of the closing hymn.
- One phrase of dismissal at the end of Mass is: "Go, and announce the Gospel of the Lord." And what better place to being its proclamation and announcement than with those with whom you've just recently worshipped – whether in church, the parking lot, or over breakfast.

Occasionally people express upset that the environment in church is noisy after Mass – but being vocal about Christ is fidelity to the command of the dismissal. Quiet in church before Mass should be the norm – but being expressive of the Christ you experience in Word and Sacrament sometimes needs to be announced ... and sometimes announced loudly.

For the sportsman among us, there are many similarities between Mass and a round of golf – if it's important to arrive before Tee-time to warm up, and if it's encouraged to visit the 19th hole for some refreshment and comradery afterwards – shouldn't the same be true of our praise of God. Preparing ourselves for the celebration, and reflecting upon the celebration, will make the actual celebration more meaningful, more prayerful, and more enjoyable!

Christmas gifts should be brought to the boxes at the back of the church **no later than NOON on Sunday, December 16th**, for the gifts will be distributed later that day.

We are so blessed to have a **food pantry** here at Sacred Heart. It is located in the cupboards in the back sacristy. Currently the pantry could use green beans and other vegetables (we have plenty of corn at the moment), canned fruit and fruit juices, soups, tuna, rice, stuffing, macaroni and cheese, snacks in small packages and baking supplies. What are your favorite foods during the Christmas season? They might be just what someone else is looking forward to as well! Thank you for your continued generosity and for checking expiration dates before donating. If you have a Sacred Heart canvas bag hanging around, we currently don't have any of our bags. Please return it (preferably filled!) so it can continue to be used to bless others.

Last Sunday was the final Sunday of the church year: the Solemnity of Christ the King. Last weekend's celebration was a relatively new feast; it was only established as a celebration of the universal Church in 1925, and it was to be celebrated on the last Sunday of October. It remained a late-October feast for almost a half century until the reforms of the Second Vatican Council.

By 1925 the atheistic Russian Revolution had occurred. The world had experienced the first truly World War. There was the hedonism of the post war era, the industrial revolution, and an emerging belief that science could solve every problem. Pope Pius XI decided that the world needed a symbol that would reassert that all life is to be directed to God – in this case, to Christ the King. After the Second Vatican Council, the Church felt it appropriate to transfer this feast to the last Sunday of the Liturgical Year as the capstone or summit of the year.

Today is the First Sunday of Advent, and we begin again the cycle of celebrating the Paschal Mystery of Jesus: His incarnation, birth, public life, death, resurrection, and the fulfillment of His promise to send His Spirit at Pentecost to guide the Church.

The Liturgical Year, however, is not just a never-ending cycle, year after year remembering something long past. The Church always reminds us that every Sunday is the celebration of the Paschal Mystery leading to the time when, as it says in Paul's letter to the Philippians 2:10-11:

*... at Jesus' name every knee must bend
in the heavens, on the earth, and under the earth,
and every tongue proclaim
to the glory of God the Father:
Jesus Christ is Lord!*

The Catholic Action Commission of Lorain County and the Peace and Justice Committee invites all who are interested to a special event called **'AN ADVENT OF MERCY: CHRISTMAS CARDS FOR OHIO'S DEATH ROW'**. It will held at 6:30 pm on Tuesday, Dec 11th at St. Mary's Church—Weigand Hall at 320 Middle Avenue, Elyria. On May 11, 2018, Pope Francis revised #2267 of the Catechism of the Catholic Church ruling that at this age and time where we have developed more effective systems of detention and due protection of citizens, in the light of the gospel, the death penalty is inadmissible. In affirmation of this ruling, CACLC invited Kwame Ajamu, who was wrongly convicted and recently exonerated after 27 years in death row to speak at this event. It will be followed by signing Christmas cards for those who are in Ohio's death row. A light dinner will be served. It is free. Feel free to invite family members or friends.

Women's Healing Prayer Group— a Journey into Transformation

Healing Prayer is a Christ centered journey done in a small group which gives us insights through instruction, experiences, connection with Scripture and prayer into past hurts and circumstances. It opens us up to honestly look at our life and those people and circumstances that have caused us to believe lies or a false understanding of ourselves, our worth and our capabilities that are contrary to who we truly are in Christ. It is a Journey with the Holy Spirit that starts us on the path of healing and wholeness and abundant life.

A Women's Healing Prayer Group will be starting here at Sacred Heart, Wednesday, the 9th of January, and is open to any Christian women. It will run for 16 weeks. This is a closed group of no more than 6 women. Time to be determined. **If you think you might be interested or want more information, call Ruth at 419-934-5726.**

St. Patrick Church invites you to Movie Night on Friday, December 14th. December's movie is **"The Nativity Story"** and will be shown in the church basement starting at 7:27PM. "The Nativity Story" depicts the biblical story of the lives of Mary and Joseph, from Gabriel's visit to their travels to Nazareth for the birth of Jesus. The movie is FREE and open to all. They supply the popcorn, movie and seats. Please bring your own favorite beverage and a snack to share. No RSVP necessary.

COOKIE-BAKERS! It's time once again to thank our seminarians by sending them 3 or more dozen of your favorite homemade cookies for exam week. Cookies may contain nuts and should be packed in non-returnable boxes/cartons. Lined shoe boxes or other sturdy boxes work best. **Please, no frosting.** Cookies are due by 11:00 a.m. on Wednesday, December 5th. Cookies may be left at the parish office. Office hours are Mon and Tues 9:00 am to 2:00 pm and Wed 9:00 am to 11:00 am. If anyone plans to bake cookies or has questions, please contact Carol Wilhelm (prooft1@gmail.com or 440-371-8356). Advent began in Fourth Century Gaul (now largely France) where Christians observed a second Lent. This "second lent" was a six-week period in anticipation of the Feast of the Epiphany, on January 6. Christianity had recently been legalized with the Edict of Constantine in 313 AD and, given this new freedom of religion, there were many adult conversions. With so many converts, individuals were not only brought into the Church on Easter ... they were also brought into the Church on Epiphany, too. These Catechumens used this "second lent" as a time of intense preparation for Baptism.

The observance of the season spread to Rome. But here it was regarded as preparation for Christmas. Pope St. Gregory the Great shortened the season to four weeks. In the prayers and readings of the Roman liturgy the season lost its penitential tone and focused on the coming (*adventus*) of the Lord Jesus. This became the universal meaning of Advent. Since the Ninth Century, the Church Year has commenced on the first Sunday of Advent.

Even if the liturgical color is purple, and the mood is subdued and serious, Advent is not another Lent. However, the season does not merely lead to one day, Christmas; it prepares us for the "day of the Lord." It resounds with promise, expectation, a sense of waiting in hope and patiently learning that time is in God's hands.

Advent is a time of waiting and preparing to celebrate God's greatest gift to us—Jesus! The best way for us to prepare is to follow the lead of God in being generous to others. The **PSR Advent project** is our Christmas tree with gifts—the gifts of our promises to Jesus. The tree hanging in the Education Building was created by the hands of our teachers, aides and students. Each hand has written on the back of it our Advent promises of "gifts of self". The stars with our names represent how we can make our light shine through loving others just as Jesus has taught us.

Equal Exchange chocolate bars, boxes of tea and cocoa make great stocking stuffers. These products, as well as ground & whole bean coffee, will be sold during coffee hour this weekend.

The December 30th and January 6th bulletins must be submitted early due to the Christmas season. The deadline for announcements for both of these bulletins is **December 17th**.

One of the great things that happened with liturgical reform of Vatican II was the explosion of new hymns and melodies for the various parts of the Mass. While hymns are not the most important musical parts of the Mass, one of the intentions of the reformers was to have hymns that are: rooted in the Sacred Scriptures; based on the best in music, and; notably different from Pop culture.

If you look at the list of songs on the board, you will find an assortment of hymns. Our music director, Carl, seeks to provide us with a balance of past and present – from chant to recent compositions.

Almost 50 years ago the American Bishops said: *The quality of joy and enthusiasm which music adds to community worship cannot be gained in any other way. Music imparts a sense of unity to the congregation and sets the appropriate tone for a particular celebration.*

On Christmas Eve, Masses will have a higher-than-usual attendance. PLEASE be cordial to those who might choose to sit in the spot that you normally occupy each week. Remember the story of the nativity, and the Inn Keeper who turned away the Holy Family because he had no room in the Inn? Our warmth & hospitality toward others on Christmas, even if they're sitting in our spot, is an opportunity to provide the welcome and hospitality that the Inn Keeper once denied the Holy Family.

In this season of giving, consider making a year-end gift to Sacred Heart Catholic Church in gratitude for all the blessings you have received in life. As you plan to make the most of your charitable donations in 2018, know that we gratefully accept gifts of cash and appreciated assets such as stocks or bonds. If you are 70 ½ or older, you may be able to reduce your taxable income this year and help us with a gift made directly from your IRA to Sacred Heart. Talk to your advisors and IRA administrator for more information and to be sure that any gift is made directly from an IRA to a qualified charity, such as Sacred Heart Catholic Church. Lastly, should this year-end find you creating or updating your estate plan, please consider helping us plan for future generations by including our parish as a beneficiary of your will, trust, retirement plan or life insurance policy.

Questions? Contact Ed or Christine in our parish office at (440) 774-6791, or via email at secretary@SacredHeartOberlin.org

Also, **PLEASE NOTE** that the cutoff date for 2018 contributions is 31 December 2018. This cutoff date isn't our decision; it's the policy of the IRS—and we must abide by it in order to retain our tax-exempt status.

Contributions received in the collection, or at the parish office, on or before 31 December 2018 will be recorded as 2018 donations. Should a contribution arrive in the mail and it's postmarked in 2018, it may be considered a 2018 donation. Any donation postmarked 2019, or received in the 2019 calendar year, must be recorded as a 2019 donation.

The Catholic Church today celebrates the Feast of the Holy Family of Jesus, Mary and Joseph. The gospels do not have a record of how they lived as a family. All we know from the Scriptures are the facts of the Holy Family's journey to Egypt, their return to Nazareth, and how His parents lost the twelve-year-old boy Jesus while they were visiting Jerusalem. It was Pope Leo XIII, who institutionalized the liturgical observance of the Feast of the Holy Family with the prayer that through it, Christian families may be inspired by the faithful love and the devoted affection that characterize the Holy Family of Nazareth. With this feast, the Church presents the Holy Family as the model and exemplar of all Christian families.

Jesus spent 30 of his 33 years of earthly existence with His family and companions in Nazareth in Galilee. Some spiritual writers have called these the "Hidden years," because there is so little written about them in the Gospel narratives. However, they reveal the holiness of the ordinary life of Jesus with His family. It was in His family that Jesus learned the value of respect for God and others, love, kindness, generosity, and selflessness. His family was his first "school of love" and it is partly because of His upbringing that He became a godly person.

Today is an opportune time for Christian families to celebrate their being together and thank the Lord for the gift of one another. No family is perfect. Each family has its own share of flaws and disappointments. What is important is that each member recognize the need for understanding and forgiveness and the possibility of healing and mending of ways. The Holy Family is there to guide each family towards the fullness of life and love that must be the vision of all Christian families today.

In *Amoris Laetitia*, the post-synodal Apostolic Exhortation of Pope Francis, we are told that the life of each family is marked by many forms of crises but we must also realize that it is part of its dramatic beauty. Pope Francis states: "I thank God that many families, which are far from considering themselves perfect, live in love, fulfill their calling and keep moving forward, even if they fall many times along the way. The Synod's reflections show us that there is no stereotypes of the ideal family, but rather a challenging mosaic made up of many different realities, with all their joys, hope, and problems."

As we celebrate today the Feast of the Holy Family of Jesus, Mary, and Joseph, let us thank the Lord for the gift of family. Not all have a good experience of

family but the Church proposes that we all look at the good side of it and consider every moment and circumstances as a blessing. The Church is there to guide them and to lead them to the love of the Lord. The Church, the family of God on earth welcomes all, even those who are broken because of their hurtful experience.

The Christian family is the smallest unit of the Church, the mystical Body of Christ. The extended church community is a family of families. It is here where the universal call to holiness, in all its real, earthy humanness and ordinariness, is first issued. It is here where we all learn the way of following Jesus.

Thank you to all who have donated to our food pantry in the past year. Your generosity is greatly appreciated. Right now we are in need of *spaghetti sauce*. Please place your donated items in the green plastic bin in the back of the church. Unfortunately we don't have any reusable parish pantry bags to use so if you have one, please return it (preferably filled)!

Mark your calendars! Everyone is invited to attend a **Chicken Paprikas Dinner** in the Social Hall Saturday, January 19th, following the 4 pm Mass. First Reconciliation for the second grade and their parents is Saturday, January 5, 2019 at 9:00 am. This will take place at St. Patrick Church in the church hall. Please keep the students in your prayers as they receive this loving sacrament for the first time.

An IMMENSE THANK YOU to the large cadre of parishioners who've helped us prepare to celebrate the Messiah's birth! The list of selfless givers is lengthy and far from complete, and includes: the choristers who've practiced long hours to provide the music; the Art & Environment members who've worked for weeks (if not months) planning, creating, and decorating; the cleaning crew that scrupulously scrubbed the church top-to-bottom; those who donated toward the flowers and decorations, and; everyone who's come to pray and worship within the walls of our parish. So many have given of themselves, prayerfully and physically, to prepare the way for Christ Among Us—which we celebrate this Christmas.
