4. Look up the song "Live Like Your Loved" by Hawk Nelson and really listen and read the words.

Live Like You're Loved by Hawk Nelson

You're not the only one who feels like this
Feeling like you lose more than you win
Like life is just an endless hill you climb
You try and try, but never arrive

I'm telling you something
This racing, this running
Oh, you're working way too hard (you're working way too hard)
And this perfection you're chasing
Is just energy wasted
Cause he love's you like you are

So go ahead and live like you're loved
It's okay to act like you've been set free
His love has made you more than enough
So go ahead and be who he made you to be

And live like you're loved
Live like you're loved
Live like you're loved
Live like you're loved

And live like you're know you're valuable
Like you know the one that hold your soul
Cause mercy has called you by your name
Don't be afraid to live in that grace

I'm telling you something
This God we believe in
Yeah, he changed everything
No more guilt! No more shame
He took all that away
Gave us a reason to sing

So go ahead and live like you're loved
It's okay to act like you've been set free

His love has made you more than enough
So go ahead and be who he made you to be

And live like you're loved
Live like you're loved
Live like you're loved
Live like you're loved

Live like you're loved, walk like you're free
Stand like you know, who he made you to be
Live like you're loved, like you believe
His love is all, that you'll ever need

So go ahead and live like you're loved
His love has made you more than enough

So go ahead and live like you're loved
It's okay to act like you've been set free
His love has made you more than enough
So go ahead and be who he made you to be

And live like you're loved
Live like you're loved
Live like you're loved
Live like you're loved

Live like you're loved, walk like you're free
Stand like you know, who he made you to be
Live like you're loved, like you believe
His love is all, that you'll ever need
Live like you're loved

Songwriters: Ben Glover / David Garcia / Jonathan Allan Steingard
