Minutes: September 26, 2019 minutes were approved as presented.

### Old Business:

- 2020 Parish Mission - Eric contacted Fr. Stalla & confirmed the dates of Mar. 15, 16, 17 (not 22, 23, 24) for the Mission. Fr. Stalla wants to have sign-ups before the mission so he can give activities before we come. He has publicity we can use. Fr. Trask can put it and also the activities on the website, then people can look at the activities if they are registered or not and be prepared to come.
- 99 Program - Fr. Trask has the Masterclass & has scanned it. He will put it on the website so we can look through it. He will have Ann apply for a grant through the diocese to purchase copies of materials we need for groups. The copies of the DVD's to view will be on the shelf by the confessional. Each of the 18 sessions are 5-8 minutes plus discussion questions. Susan questioned how to initiate. We need to get comfortable in our faith then get to fallen away. Need to invite others to be part of Masterclass Facilitators, but Fr. Said we need to get a sense of content & where we are going. Sue said we need to see how many classes/session will fit so we can start in the new year. She suggested a group could start in Jan. & another in Feb. Ruth would be glad to contact people. Questioned who is the audience? Eric suggested fallen away. Sue said advertising the Masterclass will prescreen. We need to start forming the core team. Talked about putting teasers in the bulletin such as Looking for the 99, Why the 99 & Are you in the 99. Sue will be the point person. She will send a bulletin notice. Discussed making sheep cut-outs to post & move around in church during Advent to build curiosity.
